

LA COLECCIÓN

Divinity Cells es una colección inspirada en células que representan los misterios de la vida, la creación y la evolución.

Una creación artística de 1788 piezas únicas, que simboliza la evolución del arte físico y del arte digital (NFT).

“Explora nuestra colección para descubrir de lo que es capaz de hacer tu imaginación...”

Marnix & Silvi

THE COLLECTION

Divinity Cells is a collection inspired by Cells that represents the mysteries of life, creation and evolution.

An artistic creation of 1788 unique pieces of Art designed one by one, symbolizing the evolution of physical and digital Art (NFT).

"Explore our collection to discover what your imagination is capable of..."
